STATEMENT REGARDING
TELEPHONE INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant and its undersigned representative thank the Examiner for the courtesy extended during the telephonic interview of October 18, 2007. Subject to the clarification detailed below, the substance of the interview is accurately summarized in the Interview Summary mailed October 23, 2007 (Paper No. 10182007). Furthermore, the thrust of Applicant's arguments made in the interview are substantially reflected in the Amendment filed on October 12, 2007.

Clarification

Paper No. 10182007 states "The Applicant explained the difference between Fifield and the instant application, where Fifield discloses the computer program in permanently stored in a security device attaching to the computer system, this program is executed by a security device's processor and never transferred to the main processor of the computer system." In fact, Applicant's undersigned representative explained that in the Fifield patent, *portions of the*

Application No. 10/756,896

computer program are permanently stored in the security device and those portions are executed in the device and never transferred to the main processor computer system.

Respectfully submitted,
